Georg	25 %	Assisted w/ answering questions, set up, & live experiment ; uncertainty
TOTAL	**100%**	

Your contribution

Describe the most important work you personally completed. Identify specific measurements, calculations, code, figures, or writing.

I also weighed, measured, helped w/ set up, & conducted the experiment

Describe one decision, problem, or check in which your contribution improved the team's result.

Made sure weights were being weighed in a timely fashion to move onto the next run efficiently ; attentively conducted the experiment the entire time

Team functioning and certification

If participation was substantially uneven, or if the instructor should know about a team problem, explain briefly. Otherwise write 'No concerns.'

No concerns

Certification: I have reported contributions honestly and understand that this form is an individual academic submission.
